

**unfold for instructions!**

# kit contents

- clothespin
- wool hair
- pipecleaner arms
- bead bracelet
- fabric for clothes

You'll also need some **glue**, & either **colored pencils** or **markers** to draw your doll's face.

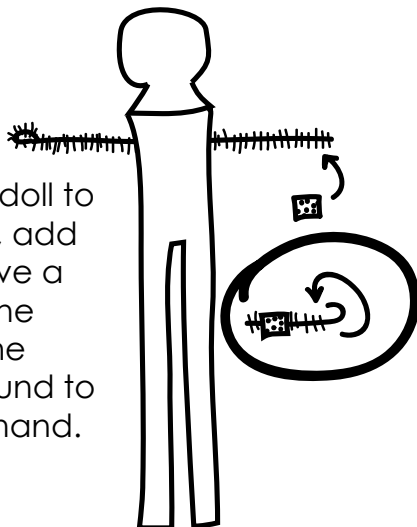

1

Push the straight end of the pipecleaner through the hole in the clothespin.

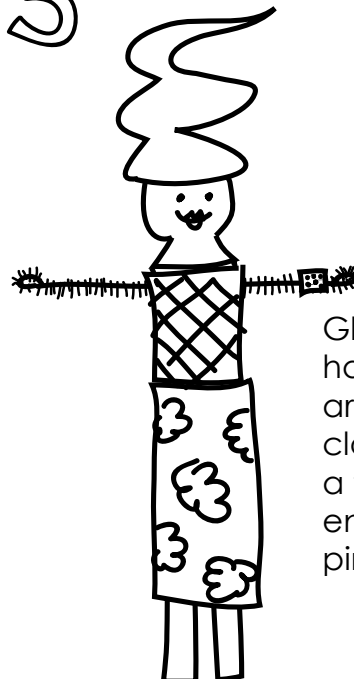

2

If you want your doll to have a bracelet, add it now. Then, have a grownup bend the straight end of the pipecleaner around to make the other hand.

3

Glue on some wool hair, wrap the fabric around & glue to make clothes, then draw on a face. You're done -- enjoy your new clothespin doll!
